"Hello, I'm Christie Kratz. As a young child, I was fully submerged in the professional modeling industry for over fifteen years. Much of my time was for weekly print fashion and magazine advertising for various clothing brands. My most rewarding experience was on a billboard over interstate I-80 in Nebraska for the local news channel! Time passed, and during my time away from professional modeling I competed in numerous fitness and bodybuilding competitions winning many awards. I have also been raising my

three young boys during this time. This past year I have been enjoying adding to my modeling collection once again. I love to perform and be in front of the camera and love a good adventure! In addition to modeling, I have a degree in Health Education and Nutrition and am a personal trainer. I am so thankful for the people God has placed in my life, especially my photographers."

Delune**

My names Faye Delune, and I'm A Professional Model, Promoter and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love

bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning photography, modeling, Promoting and Marketing at The Professional Level and really enjoying the artistic aspect of it all. In 10 years, as a model, photographer, and Promoter, I have had the honour of being featured in/on countless of magazines,

runways, commercials, editorials, catalogues, websites, social medias, and more! I have also worked with several brands, companies, businesses, artists, designers, bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, photographer or promoter, it allows me to meet lots of people,

who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.
