Christie Perez

My dream is to be able to travel and model internationally. Also to be a role model for young girls and older women as well. My goals are to continue to work diligently, expanding my network, continuing to help my community and trying to reach people through the platform that I'm building.

My Achievements thus far have been being able to walk in the most prestigious runways in my area, being able to work with some incredible talent, being in commercials in the Midwest and Eastern part of the U.S., being able to story tell in

some amazing music videos performed by some of the best talent out here and being able to and being grateful to have had some small parts in movies. With that being said, I plan on continuing to practice my craft to gain bigger roles.

My biggest challenge entering this career path has been to overcome my introverted tendencies, stepping outside my comfort zone and taking positive risks.

Faye Delune

My names Faye Delune, and I'm A Professional Model, Promoter and Photographer, (Delune Photography) of over 10+ years, but I'm really just an all around creative person and artist. I make a lot of different forms of content and art. Online Content is my main form of art tho. Honestly my dream is to just make art, and make others happy, but really, If I can spark a reaction of any kind from my art, then I've met my goal. I'm a huge nature lover, who's obsessed with all things astrology and space. so I try my best to incorporate nature and astrology into my work. But really, I just love bringing ideas, and stories to life with my art. Almost every image of either me, or my photography, I try to convey a story within it. "I'm A Blank Canvas, Give Me A Story To Tell." / "Lets Tell A Story." / "A Story Within Each Piece" Are the phrases I Use To Describe My Art. For the past 10 years, I've been studying and learning Photography, Modeling, Promoting and Marketing at The Professional Level and really enjoying the artistic aspect of it all. In 10 years, as a model, photographer, and Promoter, I have had the honor of being featured in/on countless of Magazines, Runways, Commercials, Editorials, Catalogs, Websites, Social Medias, and more! I have also worked with several Brands, Companies, Businesses, Artists, Designers, Bands, and more! Through the years, I've had the pleasure of meeting a lot of very cool, interesting, and kind people. I'm a social butterfly, so obviously this was heaven for me. People leave impacts on you, and this job of mine, regardless of if I'm the model, photographer or promoter, it allows me to meet lots of people, who usually leave impacts on me and vice versa.

I love making art, and love showing it off.

I hope you enjoy my work, and I welcome you to my world.
