The owner /instructor is Charles Lowery. He brings out the best in me. I tend to be shy by nature , but when I get to perform on stage I'm able to express myself. I truly enjoy being a part of a competitive dance team where everyone wants the best for each other . I can't imagine my life without dance !

As a dancer, there are many goals that I have set for myself. Not only skill related goals, but goals for life. Dance has taught me many things and the one thing I have struggled with most is confidence. The overall goal is to find that confidence and keep it for the not only the rest of my dance career but for life. My inspirations come from everywhere. It doesn't matter if I'm at the studio just watching my friends or on social media looking at crazy talented dancers, they all inspire me in some way, shape, or form. Since I've kept motivation from those inspirations it has

allowed me to place and succeed at many competitions and even win nationals with my small group and line/production. Dance has always helped me express myself and let go of the all the negative energy I'm feeling. I know dance will always be my outlet and I'm forever grateful for being able to have a passion for doing what I love most.

I go to Julie Bruce Dance Drama Academy. I started around a year ago and it is epic. My top moves I want to learn are aerial and flick. I would also like to perfect my box split. My goal is to hopefully get into the competition team, Slay-Official. My achievements are distinctions in freestyle and ballet exams. I was previously awarded a gold medal for winning a gymnastics competition at

Wades Gymnastics Club. My favorite styles are acro and flex because I love testing my limits. I also love freestyling my own choreography and I am interested in being a choreographer when I am older.

Mya Grace Litvak comes to us from Step with Style Dance Productions in Courtice Ontario Canada. She is trained by her mother who is a professional dancer turned studio owner! Mya comes from a big dance family; her father (Russian) and mother (Canadian) were both pro dance partners, her Auntie Julia and Uncle Igor were both pro dancers in Russia, her Auntie Kayla is currently performing on Celebrity Cruises as a cast member and her Auntie Trinity was a dance instructor. It doesn't end there.. Mya also gets to

dance/train with her cousins; Sophie, Abby & Stryder as well as her lil bro Hendrix on Step with Style's competitive team. <3 What a big dance family!

To say that dance is important to Mya is an understatement. Fun fact- she was only 4 days old at her first dance photoshoot! As soon as she could walk Mya was dancing- SHE LOVED IT! She was on stage by 1yrs and competing by 2.5yrs!

Mya is trained in MANY genres of dance and this well-rounded training has lead

Mya Grace Litvak

her to achieve 1st overall awards, jacket titles and top competition marks/recognition in MANY different categories.

Mya's favourite style of dance is Acro and she loves all moves that include her bendy back. Mya finds her most difficult dance task is that of becoming more flexible, however she continues to work hard and try because "Hard work pays off!"

One of Mya's favorite competitive career moments was earning the top Jazz mark from the entire competition weekend at Breaking Bounds- 2020 *from over 450 routines! Quite the accomplishment at the young age of 9yrs! She also loved her time as a member of Team Canada's Show-dance team in Prague 2018 where her team earned 2nd place against none other than Russia!

Now 11years old Mya is looking forward to competing this season and can't wait to get back in the lights to do what she loves most DANCE! Mya endeavours to continue to Step with Style while she inspires others to be their best too!

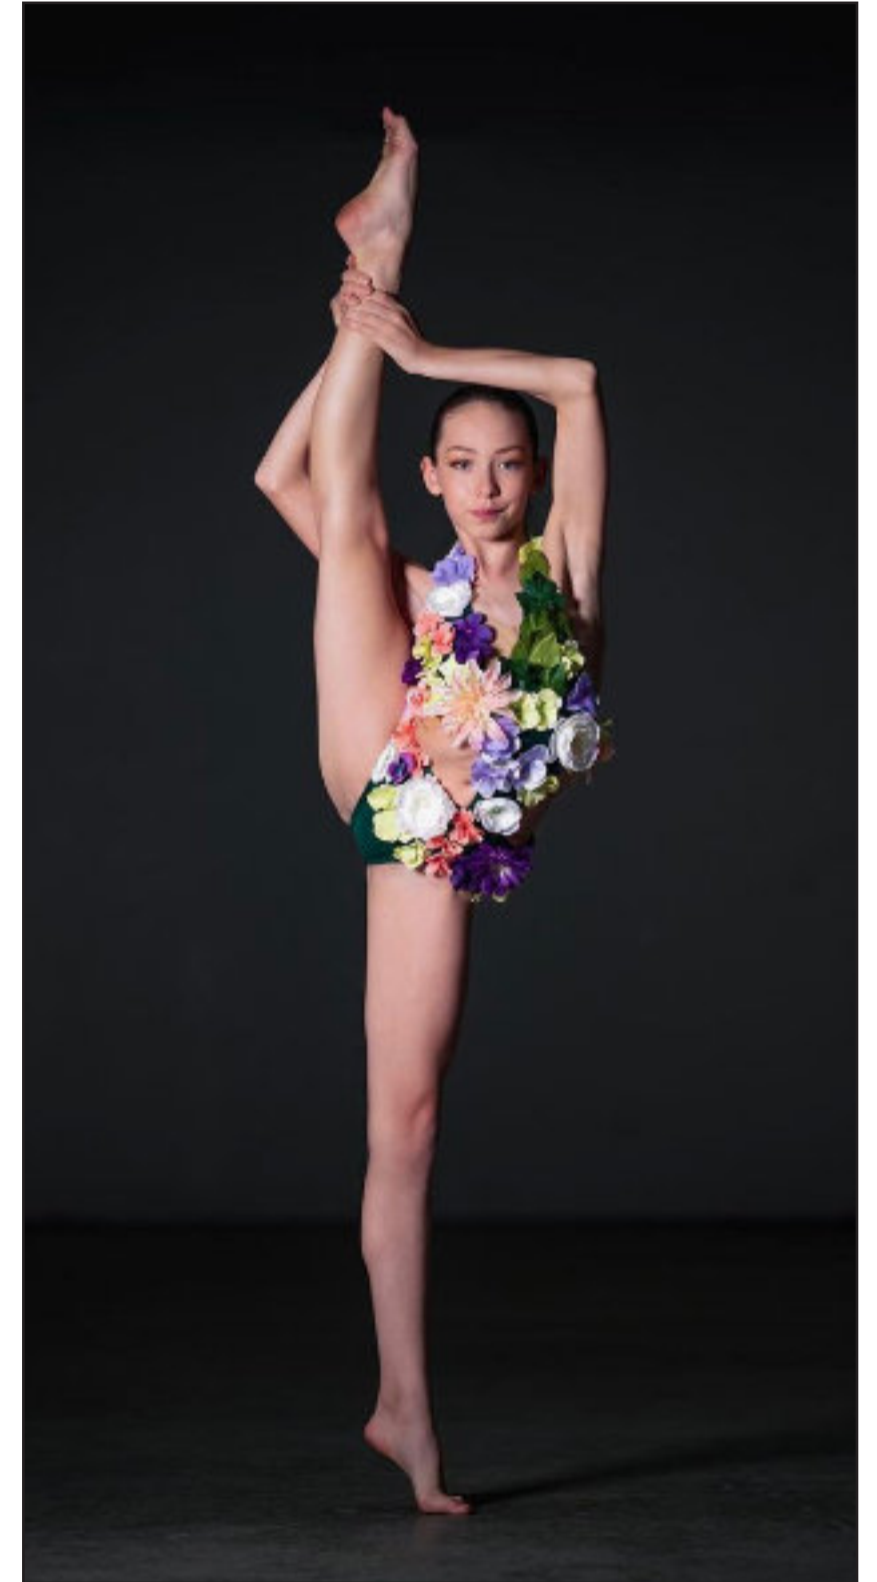

"Have a great season everyone!"- Love Mya Grace Litvak

Thank you please let us know if you require anything else.

Rebecca Ouren

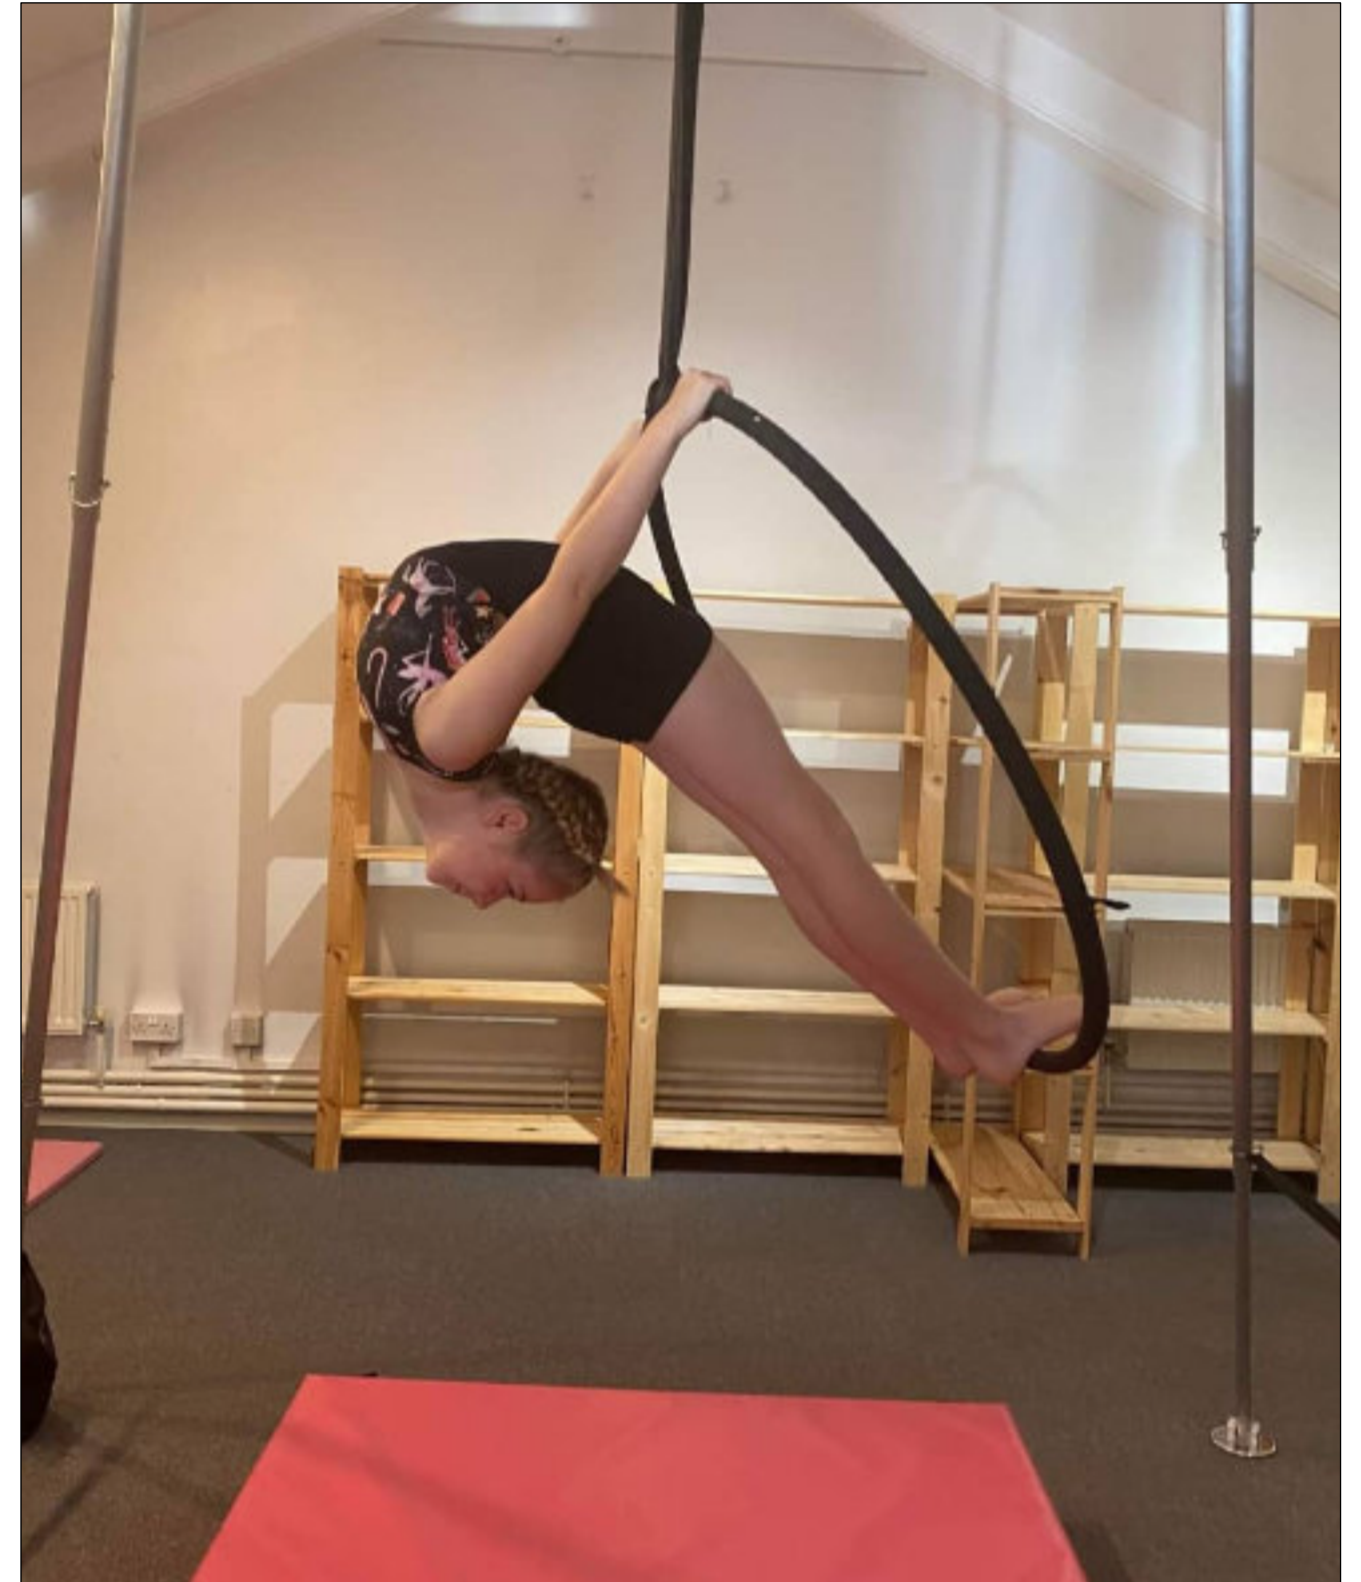

I am a 10 year old dancer from Utah. I love traveling to dance and compete and especially love dance conventions. When I grow up I want to be a veterinarian and also a dance studio owner and teacher. I want to teach young girls to believe in themselves and grow confident on stage the same way I've been shown by my studio and teachers.

I also represent my school in athletic events and I particularly enjoy running and the long jump.

I am dyslexic and have dyscalculia so my biggest challenge is Academic work but I always try my very best. I am on the Autism assessment waiting list and have an Education health and care plan (EHCP) to support my learning needs.

Autism is a neurological spectrum condition, which means whilst autistic people might display common traits, all autistic people are different with varying support needs, wants and interests. With around 700,000 autistic adults and children in the UK its important that we understand how to accommodate, support and be inclusive to everyone.

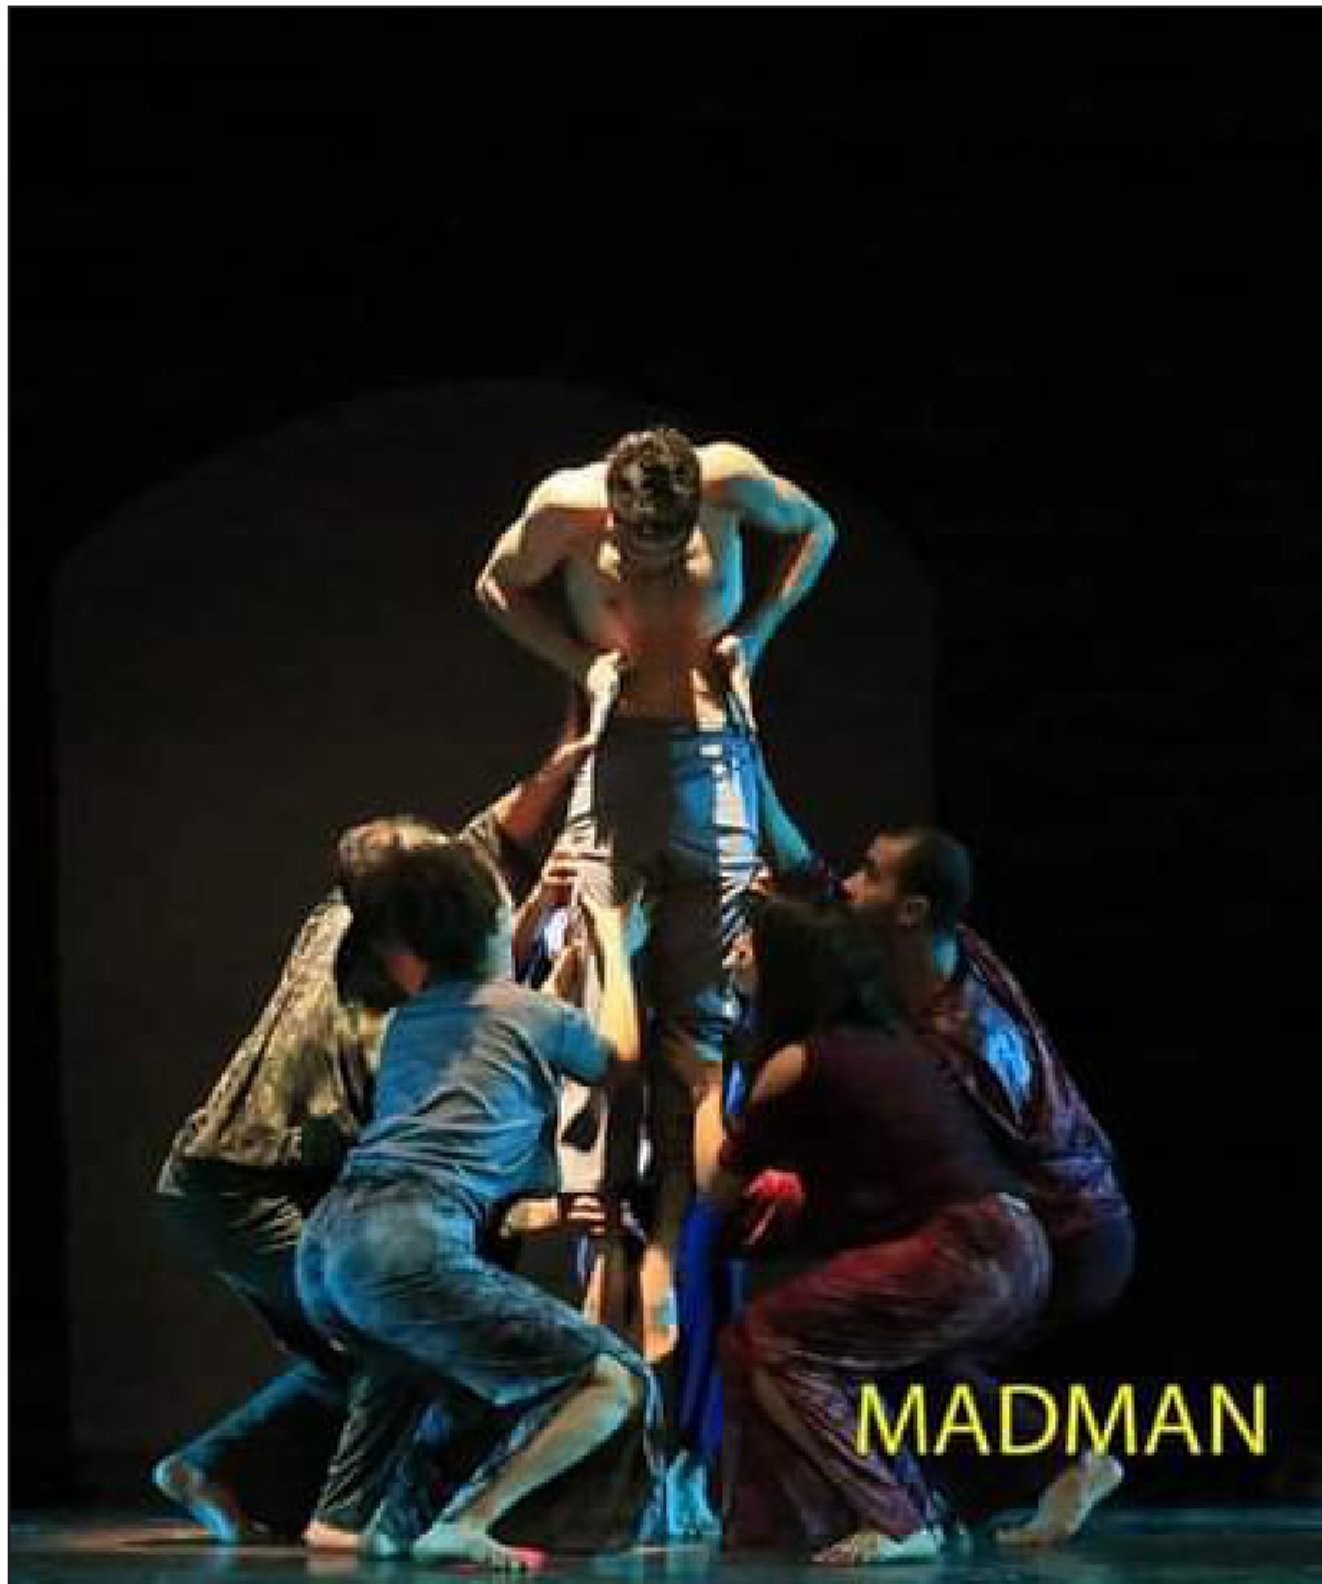

I'm extremely proactive about raising autism awareness for myself others and (having a older brother

My dreams and aspirations are to help others and I would love to one day become a professional dancer or dance teacher.
