# Emily Domaradzka

Hello, I'm Emily, 12 year old, Polish ballet student, living in Warsaw.

I'm a student of National Ballet School in Warsaw, and I've just passed my ballet exam, so I will start my 5th grade in September 2022.

I dance since I remember – my dance adventure started with modern dance, still quickly I changed into ballet. Actually, I was not even 4 years old when I had my first ballet class. Currently at school, we also have folk and hip hop classes, in the past I also attended musical school classes.

There are plenty of great moments in my life that happened due to dancing. In the passing season, I had an honor to dance with Polish National Ballet in "The Nutcracker" in Grand Theatre-National Opera in Warsaw, which was an absolutely magic experience I will never forget. Actually, dancing in "The Nutcracker" was my dream since I've seen the spectacle for the first time, so when I was chosen to be a part of it, it simply was hard to believe.

Last year, I also danced as a soloist in musical theatre Roma in Warsaw during my musical school performance and I still remember the irrational feeling of dancing on the stage where I watched great shows like "Les Miserables" or "The

phantom of the opera” previously.

Besides dancing the classic repertoire, I also like creating my own choreographies – 2 of them were already recognized in our school choreography contests.

Ballet is definitely the center of my life right now, still I also experience and try other arts as I cannot imagine my life without arts.

I sing and play piano gaining some stage experience also on this field.

I love writing in English, creating my own stories.

One of my hobbies is also modelling – I participate in many photoshoots, majorly focused on dancing but I’m trying other fields as well.

And last but not least, I am the owner of the cutest dog on the earth – Capri 😊 .

# Emma Zotta

My name is Emma Zotta, I'm 10 years old!  
I'm from

Phoenix, Arizona but was born in Kansas City! My favorite style of dance is Open and Jazz! One of my biggest achievements this year was winning Miss Starpower in my first year competing in the 9-11 age division! This year has been challenging and rewarding and I can't wait to see what next year brings. I want to continue to focus on my technique but also make my stage

presence BIGGER!! I also love doing tricks and want to keep learning new and unique ones. Most recently I mastered the spider! One fun thing about me is I have Uncomable Hair Syndrome so my hair is a heart shaped follicle instead of a circle!! I would love to be a dance teacher when I get older and teach others the way I have been taught!

My name is Jalynne Smith. I am 13 years old. I have been dancing and tumbling since I was 4 years old. I love to perform. I dance for BMP Dance Studio and have been with Mrs. Brittany since I was 5 years old. I love all genres of dance, but I like Contemporary and Hip Hop best. In my career, I have won Titles and Placed in Overalls at Applause, Showstopper, Encore, Stage One, Turn it Up, Believe, ID Dance Competition, Bloom, Groove, and PAC. My favorite moments were getting to perform in the Opening Number at Encore DCS Nationals last year in Charleston, SC; and winning the MOST CREATIVE Concept award at PAC Louisville. My most memorable moments are all the Judges Awards I have earned. I really like Judges Awards and the Special Awards they give to me because I know I must have made an impression with the Judges for them to award me out of all the performances. I definitely have faced adversity in my career. I have had to learn to work through unpleasant environments, with Coaches who didn't have my best interests at heart, with teammates that were not very nice to me, and constantly learning new stunts that I felt I would just never master. Each challenge has made me a better, stronger dancer. I really don't like it when girls are mean to each other. I have experienced this, and so when I see that happening, I try to speak up and stop the bullying. Also, I want each athlete to know they are beautiful and to go out and do their thing! Goals for me include: continuing my dance career, and maybe working professionally; teaching dance to younger students, and eventually owning my own hair salon and taking what I learned through dance and tumbling and applying it to the real world.

My name is Lily Ting, I'm 10 years old. I love competitive dance. I compete in Jazz, Ballet, Tap, Lyrical, Hip Hop and Musical Theater. My two favorite dances are my solo in Tap and my duet in Lyrical with my best friend. This year I have received an Excellence Award Scholarship at Hollywood Vibe; Scholarship at Tap into the

Network. My passion for dance is because you can expression your feelings and with tap you can discover new sounds as you dance. I would love to dance on Broadway day.
