It's February, which is Brandi Cook's birthday month! This Aquarius loves birthday's and enjoys getting spoiled within her birthday month. Not only that, but this is the month known for celebrating love and relationships with Valentine's Day. In true form Brandi is celebrating in her birthday suit with body tape art of Estragos De Gante on a beach off the Sunshine Skyway bridge between Tampa and St. Petersburg in front of the lens of the talented photographer Franco Ortiz Figg. Brandi enjoys modeling for drawing courses and body art. She favors body painting because the artist can really express their individual vision.

Other than modeling, Brandi has a wide range of skills which she would love to share and break into a more performing role. Brandi is a talented horseback rider and has some training in trick riding. You can see her in one of the pictures with the horse Bella. Brandi is always looking forward to making more friends in connection to horses. It has been difficult for her to get those connections while in the city.

Brandi hopes that this article will encourage being sought out for performance arts including dancing, runway modeling, baton twirling, twirling fire with her double batons and palm fire toys, twirling LED buugeng/s-staff, and break into aerial art skills on silks and rings, as well as acrobatic yoga. We hope for the best Valentine and Birthday wishes for Brandi and she sends her positive energy and her LOVE to you all! XOXO!

I've been very blessed and I've accomplished pretty much everything I've set out to. One thing, however, is to obtain my degree. I have one last class that I'm taking this fall semester.

I have always struggled with my body image, it's part of the reason I got into modelling. Modelling has helped me feel so much more comfortable in my skin, I want to help others feel more comfortable in their skin too. Photographers Credits: John Duder

My dreams is to one day reach super model status like my fierce idol of all time, Tyra Banks. My goals are to bring my "inner Sasha Fierce" out more and own every photoshoots I may have lined up for me In 2022 or the near future. My Achievements so far, I'm now a multi-published model in multiple magazines and working with an awesome company. The only challenges right now that I am facing is getting any new content made and finding a good photographer to work with to make some magical uniqueness with...that's the only thing besides traveling that is a challenge for me.
